The Greatest Medical Discovery of the Age.

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures EVERY KIND OF HUMOR.

From the worst Scrofula to a common Pimple.

He has tried it in over eleven hundred cases, and never failed except in two cases, (both thunder humors.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two to three bottles will clear the system of bile.

Two bottles are warranted to cure the worst cancer in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of erysipelas.

One to two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure sealy eruptions of the skin.

Two or three bottles are warranted to cure the worst case of ringworm.

Two or three bottles are warranted to cure the most desperate case of rheumatism.

Three to five bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed, growing in the pastures and along old stone walls, should cure every humor in the system; yet it is now a fixed fact. If you have a humor, it has to start! There are no ifs nor ands, hems nor ha's about it, suiting some cases and not yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know its effects in every case. It has already done some of the greatest cures ever done in Massachusetts. I gave it to children a year old; to old people of 60. I have seen poor, puny, wormy-looking children, whose flesh was soft and flabby, restored to a perfect state of health by one bottle. Price \$1.

To those who are subject to a sick headache, one bottle will always cure it. It gives great relief in catarrh and dizziness. Some who have been coactive for years, have taken and been regulated by it. Where the body is sound, it works quite easily; but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed—they always disappear in from four days to a week. There is never a bad result from it. On the contrary, when that feeling is gone, you will feel yourself like a new person. I heard some of the most extravagant encomiums of it that man ever listened to. No change of diet is ever necessary—eat the best you can get. I have likewise an herb, which, when simmered in sweet oil, dissolves scrofulous swelling of the neck and under the ears. Price 50 cents.

DIRECTIONS FOR USE.—Adult, one table spoonful per day. Children over eight years old, dessert spoonful. As no directions can be made applicable to all constitutions, take enough to operate on the bowels twice a day.

Mr. Kennedy gives personal attendance in bad cases of scrofula.

**COMMERCIAL COLLEGE, COLUMBUS, OHIO.**

The most Thorough & Practical Institution in the West.

TERMS.—For full course, including all departments of Book Keeping, Lectures and Penmanship, invariably in advance, \$40 00

For full course in Ladies' Department, 20 00

THE PROPRIETORS take great pleasure in expressing their thanks for the gratifying and unprecedented success which has marked the career of their institution since its establishment at the CAPITAL, and stimulates them to renewed exertions to meet, in the most efficient manner, the rapidly increasing demands for a practical and comprehensive course of mercantile training. The great practical experience of the Principal, in heavy Banking and Commercial Houses, assisted by educated and accomplished gentlemen, has enabled him to bring to a degree of perfection a system of **COUNTING ROOM** instruction, by oral exercises, NOT ATTAINED BY ANY OTHER INSTITUTION. Each student, by this new process, is drilled at the **DESK**, individually, step by step, until he has mastered the whole routine of an Accountant's duties as thoroughly as though he had served an apprenticeship in some large Commercial House; and thus all awkwardness, faltering and egregious blunders are, in a great measure, dissipated.

In addition to our engagement of accomplished assistants, we have also secured the services of some of the most eminent lecturers in Ohio to lecture upon commercial topics.

Our course of instruction is too extended to particularize here, but it embraces every thing connected with **DOUBLE ENTRY BOOK KEEPING**, with a free and full discussion of its scientific principles—Lectures upon Commercial History, and History of eminent Commercial Men, Commercial Geography, Commercial Products, Commercial Calculations, Banking, Political Economy, Mercantile Law, Ethics of Trade, Penmanship, &c.

The Ladies' Department

Is now open for the reception of Ladies. No institution in the Union imparts a more thorough or interesting course in this department.

In conclusion, we would add, that we shall put forth our best efforts to merit in a still more eminent degree the flattering reception with which our enterprise has met, and pledge ourselves to impart a more thorough practical course of **Mercantile Instruction** than can be formed at any other similar College.

Among the many recommendations, we give the following:

"We the undersigned, take pleasure in testifying that we are personally acquainted with Mr. GRANGER'S ability as an Accountant, and Teacher of Book Keeping, which is of the highest order. He has had great experience as an Accountant, in heavy Commercial and Banking Houses, which gives him superior facilities in imparting a practical knowledge of Book Keeping, and a thorough Commercial Education."

L. J. ALLEN, LL.D.,

President of Farmers' College.

LORIN ANDREWS,

President of Kenyon College.

To young men who wish to acquire a "business education," we think it affords facilities seldom equaled. Mr. Granger has the rare qualification of theoretical knowledge and aptness in teaching, added to practical Counting Room experience, and we feel confident that graduates from his College will be fully competent to keep the most complicated set of books.

A. P. STONE, Wholesale & Retail Merchant.
J. J. JANNEY, Sec. B'd Control S. Bank Ohio.
J. F. PARK, Book Keeper at D. T. Woodbury's.
D. OVERDIER, Book Keeper, Clinton Bark.
H. Z. MILLS, Sec. Columbus Gas & Coke Co.
C. B. MASON, B'k Keeper for J. H. Riley & Co.
